Approval of Minutes: Hope motioned to accept the minutes from our May 3rd meeting as presented. Katrin seconded the motion. Motion passed.

Autumn's attendance: Autumn reached out to Hope concerned about a case of RHD in King County asking if it was still okay to attend the show. Sandy suggested we check with ARBA's rules concerning RHD. Katrin offered to look into it.

Sunday Following Show: Hope suggested we have a Board luncheon and equipment management meeting to catalogue and photo our equipment. Elvina was not on the call yet – suggested we have it at Elvina's place since that is where the equipment is stored. All agreed

Rosettes: Hope to get Rosette's to Brook so that she can steam them.

Elvina checked on status of Ribbon order. The order has been placed. No ETA. Katrin suggested that if the ribbons are not in on time, we go ahead with a certificate.

Katrin suggested we have something for Best in Show in addition to the Rosettes like an apron or coffee mug. Hope will ask Sharin if she has time to produce something.

Advertising:

Hope asked that everyone post a lot on facebook regarding the upcoming show.

Future Direction:

Hope would like to work on the community & fun side of showing. She suggested our show in the fall be focused on meat rabbits.

Katrin suggested we lean more towards the meat side as a club, including the pet side as well, but suggested EARS focus on the pet side. This would encourage people to join both clubs

Float:

Elvina suggested that we take out \$200 like we did for the last show. Hope motioned to approve and Katrin seconded. Motion passed

Items to pick up:

Sandy to get: bedding, 4 x spray bottles, paper towel, bottled water, table clothes, snacks for judges in cabins and judge gifts. Bring plug in cooler

Hope to look into spa package for Stephen.

Katrin to bring cleaner

Airport Pick Up:

Jim might be too busy getting cages, etc to pick up Joel. Katrin said we can decide the day before who can pick him up from the airport.

Cabins:

Hope received confirmation from Natasha that Joel will get a private room and Autumn and her Mom will get a private room.

Food: Hope confirmed that there will be food trucks at the show

Sandy suggested we pick up Timmy's for breakfast

Hope suggested we take the judges out for supper

Clerking: Hope has received lots of interest in clerking

Hope suggested we have a sign up list for people to take one hour shifts for clerking at the show and that we also publish a clerking schedule.

Judges: Elvina mentioned that at the last show she took out cash to pay them. They each received \$150 US.

Hope will connect with Autumn to see how much she wants

Katrin to check with Joel to see how much he wants
